Flashback!

The class of 2001 was the first incoming class to enjoy the experience of living in Bixler and Botwinik Hall. Looking back on some of the memories...

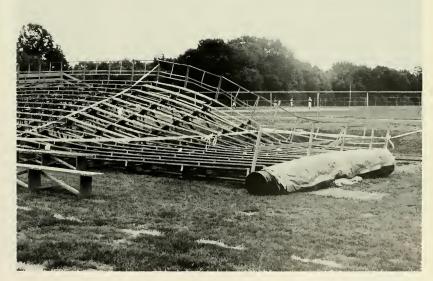

1997 - 1998

To all of the Students at UNH:

I would like to start off by saying that it has been an honor and a pleasure serving as your Undergraduate Student Government Association President for the 2000-2001 academic year. You have all made this job incredibly enjoyable and worth the effort. I hope that together we have pushed UNH even more to that place where you can say you spent the "best four years of your life." I hope I have helped in making at least a year of this statement true. If you had asked me four years ago as a freshman if I ever thought I could take on this job, my answer to you would have been, "What are you kidding me, no way!" I am, however, definitely glad that I took a shot at it. I think this year, more than any year on this campus, we have increased School Spirit and raised morale (UNH 57, SCSU 7 with more fans in the crowd than Southern at their own field ...had to sneak that in).

To the Class of 2001:

Well folks, we did it. Believe it or not, it is time to face the two words I hated to hear the most this year, the "Real World." I would like to congratulate all of you in graduating and wish you good luck in all of your future endeavors. I hope the time you have attended the University of New Haven can be considered well spent. Since I am in the same boat that all of you are, I really cannot give you lots of valuable advice. However, I can say these two things: Number one, remember that you can go as far as you let yourself go. Do not let anyone limit your enthusiasm, your drive for success, or your urge to reach your goals. Number two, find a job that you love, and never work a day in your life. I will miss you all. See you at Homecoming!

Sincerely,

Andrew E. Dinkel IV USGA President, 2000-2001

The goal of the FSCC at the University of New Haven is to bring together, in a fun and educational setting, those students of the University who have an interest in forensic science and/or chemistry, and provide them with a better understanding of these fields. The FSCC is one of the most active clubs on campus. The club's membership has exploded in recent years due to the influx of Forensic Science students from across the country. Each year, they traditionally sponsor a campus wide scavenger hunt to honor National Mole Day, a Murder Mystery Dinner in the spring, and chemistry demonstrations at local schools.

STUDENT LIFE

Alcohol Awareness Week brings the campus a look at what can happen with the misuse of alcohol. In this demonstration, sponsored by the Fire Science Club, students volunteered to be victims of a drunken driving accident. One of the students "unfortunately died" at the hands of a trusted friend who got behind the wheel after having too much to drink. Allington Fire Department also volunteered to help in the reconstruction of what rescue workers do in these cases. Thanks to the Fire Science Club for bringing to life the outcome to what everyone in college thinks, "It will never happen to me."

Alcohol Awareness

Bean House

The Bean House is a time for students to strut their stufff. It is an open forum for students to come and perform anything they want to. Students can sing, read poetry, cheer, play an instrument, or whatever he or she desires. It is a time to let people explore the many talents he or she has. The only thing up on stage is a microphone and the rest is up to the performer.

Welcome Back Bash

Halloween Dance

Snow Ball

The Snow Ball was a semi-formal dance sponsored and put together by the class of 2002. It took place on December 9, 2000. This was the first year of the Snow Ball, and UNH hopes it becomes an annual event on campus.

PAINTBALL

In November 2000, UNH students enjoyed a day of paintball sponsored by LASA.
